

EDU

EB09.004

The EDU is a portable education tool set, designed to carry all the needed material for teaching and educational lessons. The fold out carry case features a multitude of pockets and retainers to hold a range of educational materials and equipment. Mesh fronted pockets allow contents to be displayed without removal and a zipped pouch in the main compartment is ideal for storing accessories. Also features a durable plastic carry handle and removable shoulder strap.

Features

Fold out design allowing access and display of all pockets and compartments. Mesh pockets for easy identification of contents. Removable zipped pouch. Additional fabric carry bag for larger items
